

Inventions

Personal Research

We would children to interview parents and/or grandparents to find out how inventions or new ideas have changed their lives

Here are a few examples of possible questions

What kind of school bag did you have and what was in it?

What kind of games or free time activities did you have as a child?

How many different kinds of machines did you have in the home when you were young?

As a child how did you get information about things that interested you?

What one invention or idea made the most impact upon your life when you were young?

What recent invention do you think has been of the most help to you?

Maths

Practise your skills using Mathletics. Spend around 15 minutes each night on Mathletics to brush up your basic facts knowledge. Login to **StudyLadder** and work on your new tasks.

Reading Log

Keep up your daily reading log - write down how many pages you read each evening.

Date	Title
7th	
8th	
9th	
10th	

From the teachers:

Skip-a-thon on Friday Bring your house colours to change into We will skip in our houses

Students should be reading chapter books by now These can be read over a number of days Keep a record above.

Spelling results I knew how to spell _____ out of 10 in last week's spelling test!

Keep collecting sponsors.

Place Value

Place Value

Thousands & Hundreds

Write the number formed by base ten blocks.

- _____
- _____
- _____
- _____
- _____

EXTRA FOR EXPERTS

Try some of the place value worksheets.
